

# TEC task force on innovation and research, development and demonstration (IRDD)

## Work undertaken since TEC 13

Technology Executive Committee, 14<sup>th</sup> meeting  
Bonn, Germany, 28 – 31 March 2017

---

***Ms. Duduzile Nhlengethwa-Masina***

TEC member and task force member

## TEC 2016-2018 workplan

*TEC 13 requested task force to:*

- Develop technical paper on enhancing climate technology RD&D financing for TEC's consideration at its 14<sup>th</sup> meeting (*workplan activities 3 and 4*)
- Develop proposal for TEC special event on how technological innovation can support implementation of NDCs and mid-century strategies, for TEC's consideration at its 14<sup>th</sup> meeting (*workplan activity 1*)

## IRDD taskforce members

### TEC members (including outgoing members)

Mr. Gabriel Blanco, Mr. Birama Diarra, Ms. Sha Fu, Mr. Jürg Grütter, Mr. Ian Lloyd, Mr. Omedi Moses Jura, Ms. Duduzile Nhlengethwa-Masina, Ms. Claudia Alejandra Octaviano Villasana, Mr. Antonio Pflüger, Mr. Michael Rantil, Mr. David Reidmiller

### CTCN Advisory Board

Mr. Spencer Thomas, Chair

Ms. Mette Moglestue, Vice-Chair

### Observer organizations

BINGO: Ms. Mary Stewart, Sustainable Business Australia

ENGO: Mr. Dalindyabo Shabalala, Center for International Environmental Law

RINGO: Ms. Heleen de Coninck, Radboud University Nijmegen

### Special event on innovation and climate change

Task force developed the event concept, identified possible speakers, shared the draft agenda with TEC in February 2017 and contacted speakers about their availability

#### Event sessions

*Explained in agenda item 5(e)i*

Session I: Keynote speakers on tech innovation and climate change

Session II: National efforts to stimulate climate tech innovation

Session III: Sectoral tech innovation enhancing climate action

Session IV: Plenary discussion on key questions

## Technical paper on enhancing financing for climate tech RD&D

Task force prepared draft technical paper. See document: TEC/2017/14/13

### Main sections of paper

*Explained in agenda item 5(e)ii*

#### 1. The issue

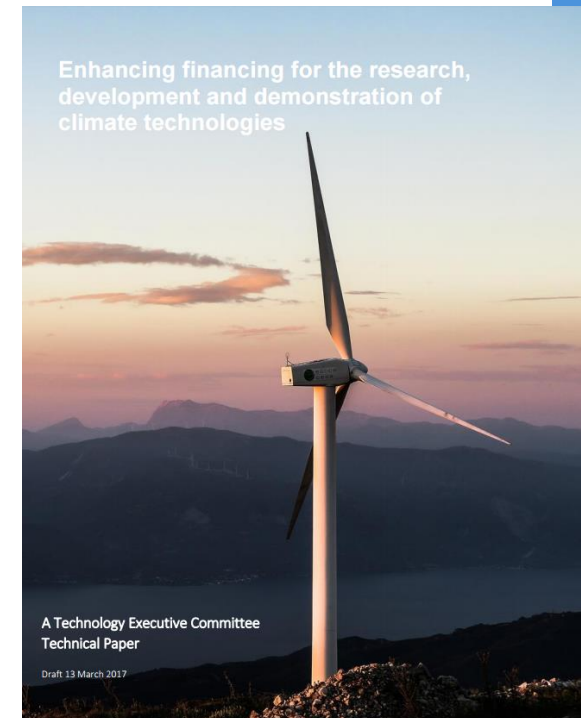

Describes how we finance RD&D for climate technologies

#### 2. Trends

Highlights global, regional and national trends in the financing of RD&D for climate technologies

#### 3. Enhancing financing of climate technology RD&D

Analyses and identifies how countries may enhance this financing

## At TEC 14

### Agenda item 5(e)i. Special event

TEC will consider task force's update and provide guidance for preparation of special event

### Agenda item 5(e)ii. Technology research, development and demonstration

TEC will consider draft technical paper and provide guidance to finalize it and make it public

*Thank you*
