

Agenda item 8: Measurement, reporting and verification of support beyond the biennial assessment and overview of climate finance flows

Background:

- In 2016, the SCF explored issues relevant to the workplan on MRV of support beyond the BA in the context of the 2016 BA.
- COP 22 requested the SCF, in fulfilling its function on the MRV of support, and in the context of its existing workplan, to cooperate with relevant stakeholders and experts and to consider ongoing work under the Convention and further action envisaged under the Paris Agreement.

For the 15th meeting, the SCF will be invited to consider activities it wishes to pursue in 2017 on the basis of the two-year workplan on MRV of support beyond the BA.
